

R-277

Thermal-insulated impact gloves with a waterproof barrier, keeping hands safe and dry

Cold

Medium Duty

Thermal-insulated impact gloves with a waterproof barrier, keeping hands safe and dry

- **Specialized protection:** With their patented TPR (thermoplastic rubber) design, developed with F3 Technology™, RINGERS® R277 thermal-insulated impact gloves ensure knuckles, thumb and finger-length impact protection
- **Advanced thermal defenses:** They feature 100g Thinsulate™ insulation and a waterproof barrier, for warm, dry hand protection even in extreme conditions
- **Heightened grip:** These impact gloves' Silicone Dot® palm and fingers - featuring PVC patches - offer confident grip for all-weather conditions
- **Enhanced features:** Touchscreen-compatible thumb tips, index and middle fingers enable uninterrupted technological interaction, while a secure gaiter closure and an increased visibility design with reflective detailing further enhance wearer safety

Industries

- Oil and gas
- Construction
- Mining

Applications

- Engagement and release of drill string slips
- Chaining up pipes
- Installation and dismantling of rigs
- Hydraulic repair
- Re-fuel oil fluid and diesel

R-277
