

Thermo Scientific™ IntelliStack™ Humidity and Drain Carboy Kit

- The Thermo Scientific™ IntelliStack™ accessories are designed to work with the IntelliStack Incubator Shaker and IntelliStack CO₂ Incubator Shaker.
- IntelliStack™ Incubator Accessories are compatible with both the CO₂ Incubator Shaker and the Non-CO₂ Incubator Shaker.
- The IntelliStack Stands are available with either an open support design (88900000) or with closed sides and drop down access doors (88900003). Both stand options are 34 cm in height and can be used with one or two Shakers.
- The IntelliStack Window Cover is a removable metal visor that attaches to the shaker to protect the interior for ambient light (88900002).
- The IntelliStack Humidity and Drain Carboy Kit maximize the humidity control capabilities of the IntelliStack Shaker
